Internship Experience

Data Analyst Intern, Web India Inc

January 2025 - Present

- I am currently working as a **Data Analyst Intern** at **Web India Inc.**, where I utilize Google Sheets, Google Apps Script, and Looker Studio to analyze data, automate workflows, and create interactive dashboards for data driven decision-making.

Full Stack Devloper, Prowe Solution

January 2024 - April 2024

- Led the **Analysis,Design** and **Development** of a full-stack rental application for usable products during a 3 month internship as part of GTU.
- Leveraged proficiency in HTML, CSS, JavaScript, Python, and database technologies to create a user-friendly and functional web application.

Projects

CRICKET DATA ANALYSIS

August 2024

- Python web scraping**, **pandas** and **Power BI** were used to analyze T20 World Cup 2022 data. organized, cleaned, and edited data to find patterns and provide data visualizations for analytical knowledge about cricket.

DIGITAL MUSIC STORE ANALYSIS

September 2024

- Utilized **SQL** to examine client locations -countries and purchase information -invoices in a music store. Answered important business questions by extracting information through questioning.

ANNUAL SALES ANALYSIS DASHBOARD

September 2024

- Developed an interactive dashboard in **Excel** to analyze annual retail sales data from company reports. Cleaned and organized data for easy access and created attractive visualizations to facilitate insightful decision-making.

Achievements

- Led volleyball team **SNEAK ATTACK** to victory at LJET's "Carpe diem" event, demonstrating exceptional leadership and teamwork skills.

-Motivated and strategized with my team, culminating in a winning performance and securing the championship trophy.
